August 17, 2017 - Orlando, Florida

**5th Annual International Summit**

**SMART Community Exchange (SCE)**  
Innovative Global Networking Solutions

## “Doing Business in the United States of America”

### Brief Description

Do you have a Technology, Product, or Service, you would like to Export/ Import, or Manufacture your products abroad? Are you planning to enter or expand your Business in International Market? Do you seek to Invest, or an Investment or a Joint Venture Partner in your Business? Do you seek to join international Working Groups, Partner Projects, R&D Programs, or Trade Missions? Are you seeking Executive Talent? If the answer is “YES”, we invite you to join us in Orlando to meet SMART Community Exchange (SCE) Leadership Team and Stakeholders, to learn and discuss Strategic Business Opportunities for Your Business.

SCE known for its S.M.A.R.T (Sustainable, Measurable, Affordable, Resilient, Technology) Trade and Investment program, is hosting 5th

annual “Investing in SMART Innovation” Summit in partnership with World Trade Center Orlando, August 17, 2017 in Orlando, Florida.

The Summit brings together Business Leaders, Enterprises, and Organizations seeking to expand their Business internationally.

Join the SMART Community Exchange (SCE) Leadership Team as they discuss effective international Soft-Landing and Market Entry and Market Expansion program for SMEs and MEs, and the resulting opportunities and factors in doing Business Internationally.

**RSVP by July 14th, 2017.** By invitation only, space is limited, first come first serve. Contact your regional SMART Community Exchange (SCE) for more information, or contact SCE global by email: [INFO@SMARTCommunityExchange.com](mailto:INFO@SMARTCommunityExchange.com)
